Whether you use this safe to protect important business documents, weaponry, jewelry or merchandise, you will rest assured knowing that your valuables are stored safe and secure in BARSKA's NEW Biometric Top Opening Floor Safe. Security features include heavy metal construction and two solid steel locking bolts. The biometric fingerprint security system can store up to 30 unique users. When the biometric lock mechanism is activated, the hydraulic door system open the safe's door for easy access to stored items. The safe has pre-drilled holes for mounting into the floor, on a shelf or counter top for extra security. Backed by BARSKA's One-Year Limited Warranty.

*Security at the touch of a finger!*

Biometric touch pad recognizes only the fingerprints you have selected

The safe can also be opened using the supplied special access keys

Hydraulic door system for smooth opening of safe door.

Protect your valuables at home, in a desk drawer or night stand. Dimensions: 14 $\frac{3}{4}$ " x 11 $\frac{1}{4}$ " x 5"
