

DL210

Easy Replacement for US Standard
2 WAYS TO OPEN: FINGERPRINT & KEY
 All-In-One Single Latch and Deadbolt

The DL210 Biometric Lock by Shepherd was chosen as one of the "Best Of Innovations" for 2004 at the Consumers Electronic Show. The DL210 has been featured on ABC's Good Morning America, NBC's Nightline News, CNN Headline News, and many other major news publications across the United States as being named one of the industry's best!

The DL210 Biometric Lock not only will fit your existing door setup, but was designed to stand up to the elements with years of convenient secure access. Easy to use, manage, enroll, and configure for up to 50 users!
